

Break of Season Livestock Management Workshop

The State Government, through PIRSA, is offering workshops in the Upper South East to access independent advice on Livestock Management. These activities are part of the South Australian Government's Upper South East Drought Package, which aims to complement the range of existing federal and state government measures that underpin farm business and community preparedness and resilience.

When: Thursday, 12th May 2016

Registration at 1.15 pm

Where: Bordertown Civic Centre - Theatre

RSVP: Louise Rose, PIRSA on 8762 9100 or louise.rose@sa.gov.au by 9th May 2016

Program

1.30 pm	Welcome – Ian McFarland
1.35 pm	Setting the scene – season forecast
1.55 pm	Identifying local issues & trigger points - Ian McFarland, PIRSA Rural Solutions
2.20 pm	Early feed / grazing crops options, pasture strategies - Shane Oster, Alpha Group Consulting
3.20 pm	Break
3.40 pm	Livestock nutrition & management – the next 2-6 months - Anthony Pearce, Hills Farm Supplies
