Presented by **Chris Shands** NSW DPI Glen Innes and **Ken Solly** Lifetime Ewe Management Facilitator SBS Naracoorte.

This is a **hands-on** workshop for sheep producers who **pregnancy scan** their ewes or who plan to scan.

You will take away the **practical skills needed** to ensure optimum lamb survival by better management of scanned ewes in your flock.

This workshop will assist you with:

- **Scanning and ewe management recommendations**
- **Managing single and twin bearing ewes**
- **Management targets**
- **Maternal behaviour**
- **Target condition scores during pregnancy**
 - *Morning tea and light lunch will be provided*
 - *\$20 per person fee payable on the day.*
 - *Please bring a chair, hat and sunscreen*

To reserve a place in one of the **Managing Scanned Ewes Workshops** please RSVP to **Ken Solly 0427 620 895** or email kensolly@rbm.com.au by **Friday 8th February 2013**.
