## Update your membership to win!

MSF is updating its member database and we would like to make sure your details are current. If you wish to remain or become a free member of MSF please follow the link below to update your details.

[www.surveymonkey.com/r/B3W63KX](http://www.surveymonkey.com/r/B3W63KX)

Membership entitles you to find out directly about local field days and events, and keep informed of Mallee relevant research. Members also help us to identify and prioritise RD&E that is important to Mallee farmers.

By updating your details you will receive a free copy of the Mallee Sustainable Farming magazine - 'The First 21 Years' that will be launched in October at our AGM. The magazine captures the history of MSF, with stories and memoirs from the people involved from the beginning and up until now.

You will also go in the running to win an Engel Car Fridge drawn in October, so make sure you update your details by October 12th.
