

Shearing Operations: Protocols in response to COVID-19 – Operations document

If you don't feel well, don't' risk going to work. Let your employer know you are not well

1. Maintain 1.5 metre distance between personnel at all times

Shed staff considerations:

- Travelling separately in vehicles unless the vehicle can allow for 1.5 metre distancing, e.g. bus
- Wool handlers waiting until the shearer is in the catching pen before they pick-up

Woolgrower considerations:

- Only using every second shearing stand
- Must have own rooms in camp out jobs (consider utilising other buildings)
- Meals ensure eating areas can provide 1.5 metre distancing

2. Implement and follow strict hygiene regimes

Shed staff considerations:

- Wash frequently with soap and water, before and after eating and after using the toilet
- Bring own soap, alcohol-based hand sanitiser and towel
- Don't share cups or water bottles
- Encourage sweat band use and use of own towels the virus cannot be transmitted from an infected person through sweat alone but can be transmitted through coughing or sneezing.
- Keep gear separated workers to bring storage bags or tubs for their gear

Woolgrower considerations:

- Provide running water (no basins), soap, alcohol-based hand sanitiser and paper towel
- Ensure adequate space in eating rooms to enable 1.5m distancing between staff

3. Over-communicate

- Talk to staff each day
 - Remind them to practice social distancing and/or isolation each night in suburban jobs recommend that people don't visit friends and family
 - If they feel unwell do not come to work, or leave work if feeling unwell
 - Don't pressure staff to work if they are nervous and don't want to work, find alternative workers
- Contractors & woolgrower communication
 - Forewarn, accept and manage for lower productivity/higher costs safety and welfare are prioritised over profits and time
 - Considerations for woolgrowers include:
 - Animal welfare
 - Additional labour costs
 - Plan for several months ahead
 - Plan to be restricted to 'essential shearing only'
 - Encourage communications via phone where possible
 - Essential personnel only do not allow people that are not essential to the wool harvesting process i.e. visitors, children, etc into the shearing shed, especially older people

4. What to do if a someone becomes unwell at work

- Isolate as soon as possible
- Notify relevant people including contractor or woolgrower
- Follow dept of Health procedures: <u>https://www.health.gov.au/resources/collections/novel-coronavirus-</u> 2019-ncov-resources
